- d) reside within Canada; and
- e) be of legal age to enter into a binding contract for the province or territory in which you permanently reside.

**4. Credit Card Rewards Program.** The Credit Card Rewards Program offers rewards in the form of Points that are credited to your Account. Points awarded under the Credit Card Rewards Program have no cash value. Instead, Points are accumulated and redeemable in the manner described below. It is your sole responsibility to determine the applicable terms and conditions related to the Credit Card Rewards Program, including, but not limited to, accumulation, redemptions and expiration of Points.

**5. Earning Points.** Following activation of your Rewards Credit Card Account, you will earn Points on Net Purchases charged to the Rewards Credit Card Account as follows:

- a) MBNA will determine the number of Points that you have earned in the statement period just ended based on the Net Purchases that you and/or your authorized user(s) charged to your Rewards Credit Card Account during such statement period. Points are not earned and available for redemption until they are posted to your Account.
- b) **Base Earn Rate.** Points earned on Net Purchases will be determined by multiplying each new one Canadian dollar (**CDN\$1.00**) (or Canadian currency equivalent) in Net Purchase transactions by one (**1**) (the **“Base Earn Rate”**).

c) **Restaurant Rate, Grocery Rate, Digital Media Rate, Membership Rate, and Household Utility Rate:**

i) In addition to the Base Earn Rate, you will earn an additional one (1) bonus point for each new one Canadian dollar (**CDN\$1.00**) in Net Purchase transactions that are made in the Restaurant Purchases, Grocery Purchases, Digital Media Purchases, Membership Purchases, and Household Utility Purchases categories, until the applicable spend cap that is set out in section 5(c)(ii) has been reached for the category. As a result, after taking into account the Base Earn Rate on the applicable Net Purchases you will earn a total of the following number of Points in the categories that are set out below (subject to the applicable spend caps that are set out in section 5(c)(ii)):

A) two (2) Points for each new one Canadian dollar (**CDN\$1.00**) in eligible Restaurant Purchases charged to the Rewards Credit Card Account (the "**Restaurant Rate**");

B) two (2) Points for each new one Canadian dollar (**CDN\$1.00**) in eligible Grocery Purchases charged to the Rewards Credit Card Account (the "**Grocery Rate**");

C) two (2) Points for each new one Canadian dollar (**CDN\$1.00**) in eligible Digital Media Purchases charged to the Rewards Credit Card Account (the "**Digital Media Rate**");

D) two (2) Points for each new one Canadian dollar (**CDN\$1.00**) in eligible Membership Purchases charged to the Rewards Credit Card Account (the "**Membership Rate**"); and

E) two (2) Points for each new one Canadian dollar (**CDN\$1.00**) in eligible Household Utility Purchases charged to the Rewards Credit Card Account (the "**Household Utility Rate**").

ii) Spend caps upon the Restaurant Rate, Grocery Rate, Digital Media Rate, Membership Rate, and Household Utility Rate:

A) Restaurant Annual Spend Cap. The Restaurant Rate will no longer apply when the total Restaurant Purchases in a calendar year (January 1 to December 31) exceeds ten thousand Canadian dollars (**CDN\$10,000**) (the "**Restaurant Annual Spend Cap**"). When the total Restaurant Purchases in a calendar year exceeds the Restaurant Purchases Annual Spend Cap, your Restaurant Purchases will just earn the Base Earn Rate.

B) Grocery Annual Spend Cap. The Grocery Rate will no longer apply when the total Grocery Purchases in a calendar year (January 1 to December 31) exceeds ten thousand Canadian dollars (**CDN\$10,000**) (the "**Grocery Annual Spend Cap**"). When the total Grocery Purchases in a calendar year exceeds the

Grocery Annual Spend Cap, your Grocery Purchases will just earn the Base Earn Rate.

- C) **Digital Media Annual Spend Cap.** The Digital Media Rate will no longer apply when the total Digital Media Purchases in a calendar year (January 1 to December 31) exceeds ten thousand Canadian dollars (**CDN\$10,000**) (the "**Digital Media Annual Spend Cap**"). When the total Digital Media Purchases in a calendar year exceeds the Digital Media Annual Spend Cap, your Digital Media Purchases will just earn the Base Earn Rate.
  - D) **Membership Annual Spend Cap.** The Membership Rate will no longer apply when the total Membership Purchases in a calendar year (January 1 to December 31) exceeds ten thousand Canadian dollars (**CDN\$10,000**) (the "**Membership Annual Spend Cap**"). When the total Membership Purchases in a calendar year exceeds the Membership Annual Spend Cap, your Membership Purchases will just earn the Base Earn Rate.
  - E) **Household Utility Annual Spend Cap.** The Household Utility Rate will no longer apply when the total Household Utility Purchases in a calendar year (January 1 to December 31) exceeds ten thousand Canadian dollars (**CDN\$10,000**) (the "**Household Utility Annual Spend Cap**"). When the total Household Utility Purchases in a calendar year exceeds the Household Utility Annual Spend Cap, your Household Utility Purchases will just earn the Base Earn Rate.
- iii) **Payment Card Network Merchant Categories.** To clarify, a transaction will not qualify for the Restaurant Rate, Grocery Rate, Digital Media Rate, Membership Rate, or Household Utility Rate unless it is a Net Purchase that is recorded with a MCC of 5812 and 5814 for Restaurant Purchases; 5411, 5462, and 5499 for Grocery Purchases; 5815, 5816, and 5968 for Digital Media Purchases; 7997 and 8699 for Membership Purchases; and 4814, 4899, and 4900 for Household Utility Purchases. MBNA does not determine whether merchants correctly identify and bill transactions as being made in each particular MCC. However, MBNA does reserve the right to determine whether Net Purchases qualify for the Restaurant Rate, Grocery Rate, Digital Media Rate, Membership Rate, and Household Utility Rate.
- d) **Birthday Bonus.** Each year, the Account will receive Birthday Bonus Points equal to 10% of the total number of Points the Account earned in the 12 months before the month of your birthday, to a maximum Birthday Bonus each year of 10,000 Points. The Birthday Bonus Points will be added to the Account before the end of your birthday month, provided that the Account is in good standing at the time the Birthday Bonus is to be added to the Account. All Birthday Bonus Points accumulated will be forfeited upon closure of your Rewards Credit Card Account, or when you do a product transfer

to convert your current Rewards Credit Card Account to a different credit card account unless you transfer to another eligible Rewards Credit Card Account card that participates in the Credit Card Rewards Program.

- e) From time to time, you may also have opportunities to earn incremental or bonus Points through special offers that will be accompanied by specific rules.
- f) Net Purchases posted to your Rewards Credit Card Account will be rounded to the nearest whole Point. More specifically, if the first number following the decimal point is five (**5**) or greater, then the number of Points earned will be rounded up to the nearest whole number (i.e., **167.75** Points rounds up to **168** Points).
- g) Points indicated on the monthly Rewards Credit Card Account statement reflect the number of Points earned during the statement period, adjustments and redemptions of Points and other such information as may be determined by MBNA from time to time, up to and including, the "**As of Date**" indicated on your statement.
- h) If any Rewards Credit Card Account transaction that is subject to a billing dispute is credited to your Rewards Credit Card Account, the Points value of that transaction will be immediately deducted from your Account. However, if the disputed charge is reversed, then the Points value of the transaction will be added back to the Account.
- i) The Points value of a transaction will be deducted from your Account balance when a credit is posted to your Rewards Credit Card Account for adjustments made for previously billed charges.

**6. New and Existing Cardholders.** For new Rewards Credit Card Account cardholders, accrual of Points will begin on the date on which the first Net Purchase transaction is charged to your Rewards Credit Card Account. If you are already an MBNA customer and you convert your existing eligible credit card account to the Rewards Credit Card Account, you will not begin earning Points until your Rewards Credit Card Account has been created by MBNA and the first Net Purchase transaction is charged to your Rewards Credit Card Account. Points will not be awarded retroactively.

**7. Account Information.** MBNA will be solely responsible for maintaining the amount of Points accumulated by you under the Credit Card Rewards Program. You will receive regular detailed information about the status of your Account. You may also contact MBNA (as detailed below) to make inquiries about your Account.

**9. Redemption.** All redemptions of Points can only be made in accordance with these Terms and Conditions.

- a) In order to redeem Points or to make inquiries about the Credit Card Rewards Program and/or your Account:
- i) You must contact MBNA: i) log-in at [www.mbna.ca](http://www.mbna.ca); or ii) by telephone at 1-888-876-6262 (toll-free).
  - ii) Redemptions must be made in minimum increments as set by us, and certain fees may apply to some redemptions. To find out what those minimum redemption increments or fees are, contact us or visit [www.mbna.ca](http://www.mbna.ca).
  - iii) MBNA has sole discretion on what redemption options are made available to you. MBNA can offer you a variety of redemption options for Points under the Credit Card Rewards Program. For example, Cash Reward options may include Rewards Credit Card Account statement credits, electronic deposits to your personal chequing account or charitable donations to participating charitable organizations. Log-in to [mbna.ca](http://mbna.ca) for full details.
- b) **Travel Redemption.** Points can be redeemed for travel at the rate of **100** Points per **\$1.00** to pay for a travel reward, including any of the taxes or other costs and fees for which you are responsible. If you don't have enough points to redeem a particular travel reward, you can pay for the remainder of the travel reward balance with available credit on your Rewards Credit Card Account.
- c) **Cash Redemption.** Points can be redeemed for a Cash Reward at the rate of **200** Points per **\$1.00**. A minimum of **10,000** Points is required to redeem for cash redemption options (a "**Cash Reward**"), and Cash Rewards may thereafter only be made in minimum increments as set out by MBNA from time to time. Redemptions for a Cash Reward can only be made using Points.
- d) **Merchandise Redemption.** The number of Points required to obtain a reward is set out in the applicable rewards catalogue(s) or online website made available by MBNA under the Credit Card Rewards Program. All redemptions of Points for merchandise are only available at the rate or price presented in the applicable rewards catalogue or website, and may vary from time to time. Such merchandise may only be available in limited quantities and may be subject to additional conditions disclosed when redeeming your points for such rewards. If you don't have enough points to redeem a particular merchandise reward, you can pay for the remainder of the merchandise reward balance with available credit on your Rewards Credit Card Account.
- e) Redemption of Points pursuant to the Credit Card Rewards Program (for a Cash Reward or otherwise) will not result in a corresponding reduction to your minimum payment due in the month that the Points are redeemed. Rather, the value of any Cash Reward obtained on redemption of Points will be applied as a credit toward your new balance on your Rewards Credit Card Account at the time of redemption. You will still need to pay the full minimum payment due as shown on your statement in accordance with the terms and conditions of your Rewards Credit Card Account.

**10. Tax.** You are solely responsible for any personal tax liability arising from your participation in the Credit Card Rewards Program. You should consult with your personal tax advisor in order to determine any personal tax consequences. You understand and agree that MBNA will not issue tax receipts in respect of the Credit Card Rewards Program.
